Foreign Students Policy

Re: admissions, students must demonstrate appropriate motivation and level of maturity to wish to attend the high school seminary.

All foreign students are responsible for their own immigration clearance and student status in Canada.

All foreign students are responsible for and must have adequate medical coverage while attending the Seminary.

Re: Fees As for all out of province students, the family are made aware of the yearly fees as well as the \$2200 out of province fee. Similarly, our standard policy is always in effect: that no serious student refused for financial reasons.

In the event of an early departure from the seminary, the proportion of fees to the time remaining in the school year will be return to the parents/guardian of the student.
