Books & School Supplies

1. **BOOKS:** The textbooks for most high school subjects are supplied by the Seminary of Christ the King; but such things as workbooks and texts for Religion and Music class will need to be purchased. These can usually be obtained at the seminary Bookstore. New students can expect to spend about \$250 –320 on books, for they will need to buy a number of expensive books for choir and church use. Returning students are usually under \$50.
2. **SCHOOL SUPPLIES:** The Bookstore carries ordinary school supplies such as paper, pens, pencils, and stationery. Students should have a good supply of pens (including one or two colored ones) to avoid borrowing. **Each student requires a pocket calculator** for math and science.
3. **DICTIONARIES:** The seminary supplies English dictionaries in the junior years of high school. The senior students should have a good dictionary of their own. French and Latin dictionaries are recommended and may be obtained at the Bookstore.
4. **SUNDRIES:** The Bookstore also has sundries like soap, toothpaste, etc.
