Participation Informed Consent Form During COVID-19 Pandemic

The Seminary of Christ the King wishes to provide you with the opportunity of finishing your academic and formation Year 2020 - 2021.

The opportunity to complete your academic and formation program will be offered to you in accordance with the Seminary's usual procedures. However, by agreeing to participate you acknowledge that you will do your part to ensure that you are following the protocols and directions of SKC faculty and staff. SCK will provide you with hand washing stations and hand sanitizer. You will provide your own face mask/shield or gloves, should you decide to use the last mentioned.

Assumption of Risk

I have read this form and understand its contents. I understand that it is my responsibility to follow the Protocol and to complete the Individual Risk Assessment truthfully and to immediately advise if I begin to experience any of the symptoms listed on the Point of Care Risk Assessment while engaged in my academic and formation activities.

I hereby acknowledge that despite the fact SCK will take precautions to keep me safe, there is still a risk of contracting COVID-19 as a result of my participation in the academic and formation year 2020 – 2021, which could cause **significant personal injury, financial loss, or even death**. I am prepared to accept this risk.

I acknowledge that I am not being forced to participate in the academic and formation year 2020 – 2021, and that I am choosing to do so of my own free will. I understand that it is my responsibility to learn as much as possible about the risks of participating in the academic and formation year 2020 - 2021. I must at this time weigh those risks against the advantages, and decide whether or not I can in conscience participate.

In entering into this Agreement, I am not relying upon any oral or written representations or statements made by SCK faculty or staff, other than what is set forth in this Agreement.
