Course is approved.

All students currently enrolled at SCK are eligible to challenge courses (with the exception of Board/Authority Authorized courses in their first year of implementation). Only those students who give strong and compelling evidence that they can meet the required learning outcomes and that it is in their best interest will be permitted to proceed. Challenge is intended to respond to unique needs in exceptional circumstances; it is not intended to replace the valuable experience of classroom learning, nor is it intended to be an opportunity for students to improve their course marks.
