Foreign Students Policy

Re: Admissions

Students must demonstrate an appropriate level of motivation and maturity if they wish to attend the high school seminary.

All foreign students are responsible for their own immigration clearance and student status in Canada.

All foreign students are responsible for and must have adequate medical coverage while attending the Seminary.

Re: Fees

For all out of province students, the family is made aware of the yearly fees as well as the \$2200 out of province fee. Similarly, our standard policy is always in effect: that no serious student is refused for financial reasons.

In the event of an early departure from the seminary, the proportion of fees to the time remaining in the school year will be returned to the parents/guardian of the student.
